WHAT TO BRING

For the IDS Software Training, please bring a laptop (with AC adaptor) with the software pre-installed, your dongle security key, an external mouse & mouse pad. Typically, the IDS training occurs on the first 2 days of training (Tuesday & Wednesday).

For Machine Training, please be aware that you will be working on equipment with grease and oil – please be aware that this could potentially get on your clothing. Typically, the IDS training occurs on the first 2 days of training (Thursday & Friday).

If there are any special requests or dietary needs, please send us the appropriate information.
